**Body Sculpting Essentials** is the definitive guide that gives the foundation for how to achieve your ultimate body. *The most important element in achieving fitness wealth is engaging and collaborating with “team members of the same Body-Type or Health Condition.”* Why reinvent the wheel when one can just follow the blueprint of others who’s been successful? Who would be most qualified to do this than someone of your body-type or health condition? They have experienced the same pain and frustration as yourself, opposed to someone that’s never walked in your shoes.
